## PRINCE TOMSIT LAGO

It's Friday, the 13th---  
ANYTHING can happen--Maybe  
school will close for the day;  
maybe Mr. Zaner will turn hand-  
springs; maybe Miss Driscoll  
will give no homework; Great  
Scott! the Weekly might even  
come out on time; maybe a  
hurricane will wipe the Fresh-  
men off the face of the earth--  
but, just the same, you had  
better watch your ladders,  
black cats, and their jinxes,  
'cause they may get you!

### COUNCIL SETS DANCE SCHEDULE

Four dances, scheduled for second semester, were approved by Student Council at a meeting last Wednesday.

The first, a Valentine Dance, will be held February 11 with grades 7A and 9 sponsors. Seventh and eighth graders will party at the Junior Esso Club while the dance for Senior high school students will be given in the auditorium of the old school.

In March there will be a Student Council Dance. The April dance will be an All-Fools party and the May Dance will highlight the month following. These two dances will be given by the classes which have not yet been assigned specific dances: 7B, 8B, Sophomores and Seniors.

The Saturday Evening Post

Prince Bernhardt of Holland will honor Lago High School with a visit on Tuesday, January 25, at 11:15 A.M. The students from the elementary school and the high school will join forces in giving the Prince a reception, which will be held on the courtyard of the high school.

Plans have been made to have about twenty Boy Scouts and Girl Scouts form a double file, as the Prince and his attendants march down the walk.

Four girls from our school system will present the Prince with typically American gifts for his little Princesses in Holland, and all members of the student body will sing the Dutch national anthem, "Wilhelmus."

At present all plans for this reception are tentative, and are subject to change between now and the date of the prince's arrival.

### LAGO SCORES OVER FALCONS

Last Tuesday night Lago's Junior Varsity and Varsity Basketball teams played the Falcons of Lago Heights, walking off with two triumphs.

The J.V. score was tied 12-12 at the end of the last quarter but in the extra three minutes Lago dropped two baskets and cinched the game.

In the second game, the "Lago Blue Boys", flashing their new uniforms, literally blinding the "Falcons". Although the team kept the ball in their possession most of the time, they couldn't put those shots in as easily as usual. Nevertheless, the final score was 27 to 17 in favor of the "Blue Boys".

## DO YOU KNOW HOW TO STUDY?

This week was devoted to the learning and practicing of good, effective study habits. For us Seniors especially, who plan to go on to college, poor study habits may mean our down-fall before we even get started.

"Good study habits" does not necessarily mean hours and hours of study, but it does mean studying efficiently--achieving better results by using time and energy wisely.

We ask, what are good study habits? Speed in reading, accurate note-taking, underlining important phrases and sentences and outlining are most advantageous. If we adapt each of these above mentioned habits to our own needs, we will find that learning can be easier and quicker--our understanding will be better and our memory more retentive.

What is an efficient method for one person may not be for another. Let us discover our weak points in study habits and then doctor them up. Think of the time we will save!

## LAGOCIETY: New Year's Dance

Before the dance given by the Canteen to celebrate the coming of the New Year, Mary Lou Morris and Diane Chipendales gave dinner parties.

That night a new wonder was added to the seven wonders of the world when Cleb A., Joe C., Ted F., Bob T., and Bob D. actually turned over a new leaf and danced. Lago students are still busily figuring out a solution to this preposterous revolution.

Several times during the evening the dance was threatened by rain and the crowd sought refuge in the Blue Room.

At 11:45 the noise makers were handed out to the already noisy "Kids". At midnight, when the music stopped, the year was welcomed with a big bang.

Chaperons at the dance were the Malloys, Hellwig's, and Deese's. After the dance some of the crowd went to Doty Learned's house for breakfast.

## SECURITY'S KORNER

This week we are turning our spotlight on Martin Smith sometimes known as "Smitty". This good looking six foot spphmore addition to "Good Ole Lago" was born in up-state New York 15 years ago. He previously attended Henison High in Illinois.

His pet peeve is that there aren't enough girls to go around and his favorite pastime, as we can all see, is Gracie.

He has just begun his hobby of making model airplanes. He is also interested in tennis, swimming, bowling and fishing.

Martin, who has lived in eight different states, thinks Aruba and the kids are "darn nice."

The Lago High School welcomes the newcomer.

ALUMNEWS

The Christmas holidays saw Lenny Teagle, Jay Cahill, Ken Repath, and John Teagle back in Aruba's sunlight after three months of hard studying at their respective colleges. They all reported much hard work, but tell us they are having a lot of fun too. Shortly after New Year's Johnny returned to L.S.U., Jay to M.I.T., and Lenny to Middlebury. Ken left Aruba Dec. 30 so he could take in the Rose Bowl game on New Years' day. He's attending the University of California at Berkely.

Best of luck to you all in the year 1950. We'll be looking forward to seeing you this summer.

CHATTER BOX

The New Year's Dance was enjoyed by all, especially the eighth grade girls, who took the opportunity to corner Emmette Jones. The dance lit several new flames, among them the Drew-Hussey affair. According to the latest reports, Bob and Kathy are still going strong. Other new romances have sprung up between Warren Carroll and Phyllis Taylor and Emmette Jones and Mary B. Spitzer.

We wish to warn Nancy Koopman that she had better stop flirting with Stanley Norcom or she will lose Buddy Berrisford.

Notice to Judy Ballard: "Bobby B. is not for sale!!!" Signed, Nancy MacEachern.

Led Mingus seems to be making the rounds of the eighth grade girls.

Frank Schad tells us that he and Carleton are having troubles.
